2010 – 2011

H.L. Snyder Medical Foundation Healthcare Scholarship 2010-2011

The H.L. Snyder Medical Foundation (HLSMF) has established a scholarship fund to assist Winfield students who are going into the healthcare and bioscience field. Students must be a resident of Winfield for the last 3 years or a graduate of WHS-USD 465 and enrolled full time, (12 hours or more) per semester, in an accredited university or college program in the healthcare field. These do not include veterinary medicine, acupuncture, chiropractic, Chinese herbal medicine, homeopathy or similar related fields.

Scholarships will be available to students who are starting their junior year in college with a 3.0 GPA or higher and are entering the healthcare or bioscience field.

The HLSMF Board will review the applications to determine eligibility for scholarships based on financial need, GPA and recommendations.

The scholarship will be made payable at the beginning of the fall semester to the accredited college or university where the student has been accepted as a full time student in a healthcare or bioscience program. The HLSMF Board has the option to request an official transcript at any time.

Application Guidelines:

The H.L. Snyder Medical Foundation (HLSMF) establishes the following criteria to be used as a guideline in granting healthcare or bioscience field of study scholarships. Please follow these guidelines carefully. Include each step in the application as follows:

1. Completed HLSMF application by mail, in person to the H.L. Snyder Medical Foundation's office or faxed (hard copy to follow).
2. An essay of from 300-500 words, which should include stating candidate's intended healthcare or bioscience vocation, reasons for interest in healthcare or bioscience and knowledge of the importance of the vocation. **Returning applicants please include your past year's experience and how has this last academic year's experience helped you on your chosen career path.**
3. An updated transcript from the candidate's accredited college or university and enrollment (full time, 12 hours or more, per semester) in a healthcare or bioscience field program.

Additional Rules and information for all scholarship applicants:

1. Scholarship amounts may vary from semester to semester or comparable academic term due to changing income of the scholarship fund, the number of scholarships awarded and other factors.
2. The scholarship checks will be payable to the college/university and will be sent to the financial aid office at the college/university the recipient will be attending. That college/university will be instructed to apply these funds to tuition, fees and books and then the balance, if any, to be distributed for dorm room if any.
3. If a student drops from full-time to less than full-time status during any semester (or comparable academic term if the academic program is not on a semester basis) then the student is obligated to refund within 15 days from the drop in status, the amount of funds advanced to the student for that semester.

4. Other than through the application itself, any attempt by an applicant or by another on behalf of the applicant to influence any member of the scholarship award committee as to the awarding of the scholarships will subject the applicant to disqualification.
5. Neither family members of the Trustees of HLSMF nor family members of the scholarship committee will be eligible for these scholarships.
6. Scholarships will be awarded without regard to race, creed, color, religion, national origin, gender or handicap.
7. Scholarship recipients and the amounts of their awards will be included in an article concerning that year's HLSMF scholarship awards to be published in one or more local newspapers.
8. A successful scholarship applicant must accept in writing the award of the scholarship within 21 days after the date of the Committee's letter of notification of the award. Scholarships not accepted within this time period will be awarded to another applicant.
9. All applications must be turned in on or before **June 15, 2010, at 4:00 p.m.** to H.L. Snyder Medical Foundation, Scholarship Program, 1407 Wheat Road, Winfield, Kansas 67156. Any applications mailed must bear a **postmark no later than June 15, 2010.**
10. All information obtained from this application will be kept private and will not be given to any other person or organization not affiliated with the scholarship program.
11. Announcements of scholarship awards will be on **August 1, 2010.**
